CUSTOM HANDMADE INVITATIONS

Invitations set the tone for any event. Whether it's cute, elegant, fun or funky; creating invitations with Talk, Paper, Scissors will make any event memorable. The custom invitation design services at Talk, Paper, Scissors were created to enable customers to get unique, custom, handmade invitations for any occasion at a reasonable cost.

ADVANTAGES

- You'll work directly with an experienced designer to help put together a creative and tailored layout
- You can have a prototype created so you'll know exactly what kind of quality you can expect (small fee applies).
- You'll receive (2) price quotes. In addition to material costs, you'll receive one that outlines costs for Talk, Paper, Scissors to hand-assemble your invitations, and another that outlines costs for you to print and assemble them at the Talk, Paper, Scissors craft studio.

Many customers opt to get together with friends and family for an invitation production party in our spacious, well appointed craft studio.

OTHER SERVICES
